Smart Room for Conference, meeting, and events (includes OWL, Screen, and Zoom Room Compatibility):

Smart Room	Internal Rate & Community, Non- Profit Partners	External Academic	Industry & For- Profit Rate
LRW 4018 Smart Room (includes a technical setup, access to our equipment, and 25% indirect costs)			

Equipment and Lab Fees:

Equipment & Lab Space	Internal Rate & Community, Non- Profit Partners	External Academic	Industry & For- Profit Rate
Eye Trackers (includes use of		,	!
lab space, equipment, a			1
technical setup, and 25% indirect costs)			1
Portable Eye-tracker (PupilLabs	/per participant		
Neon glasses)	/por participa		
LRW 4030 Eye-tracker			
LRW 4031 Eye-tracker			
LRW 4032 Eye-tracker			
LRW 4013/B Eye-tracker			
Electroencephalograms (EEG)			
(includes use of lab space,			
equipment, a technical setup,			
and 25% indirect costs)			
LRW 4015			
LRW 4008/LRW 4004			
Behavioural testing lab		,	
(Includes use of lab space, a			
technical setup, and 25%			
indirect costs)			
LRW 4034 (6 computers)			
LRW 4007 (1 computer)			

Soundproof Rooms (Includes		
use of lab space, a technical		
setup, and 25% indirect costs)		
LRW 4011		
Soundproof Booth 3x3 m (IAC		
Model 403 ASP single-wall		
sound isolation booth)		
Interview/Focus Group		
Rooms (includes use of lab		
space and 25% indirect costs)		
LRW 4024		
LRW 4026		
LRW 4013/A		
LRW 4012		

Consultation, Training, and Research Support Services

Service (includes support from one Research Assistant or postdoc + 25% indirect fees.)	Internal Rate & Community, Non- Profit Partners	External Academic	Industry & For- Profit Rate
Consultations			
Research Planning and Development			
Experiment Design and Development			
(EEG: Presentation, Experiment Builder			
Eye-tracking: Experiment Builder Behavioural: Superlab, PsychoPy)			
Survey Design and Development (e.g., LimeSurvey, Qualtrics)			
Research Ethics Application			
Training			
Research Methods			
Equipment (Eye-tracker, EEG,			
Ultrasound, Audio Recording, Behavioural)			
Experiments (deployment only)			
Networking			
Recruitment Planning and			
Development			
(e.g., SONA)			

Connect with academic and		
community partners		
Knowledge Mobilization		
Kilowiedge Mobilization		
Research Support		
Support during lab experiments		
(focus groups, interviews,		
behavioural, eye-tracking, or		
EEG data collection)		
Support during audio recording		
in the sound-proof recording		
room or booth		
Data Creation		
Collect data according to project		
specifications (focus groups,		
interviews, behavioural, eye-		
tracking, EEG)		
Data Analysis		
Provide assistance with data pre-		
processing, cleaning, and		
exporting		
(Survey, Focus Groups, Behavioural)		
Provide assistance with data pre-		
processing, cleaning, and		
exporting		
(EEG, Eye-tracking)		
Provide assistance with data		
analysis (Inferential and		
Descriptive statistics)		
Provide assistance with audio-		
processing (using Praat,		
Audacity, etc)		
Computational linguistic analysis		
on text-based/corpus data (NLP,		
LLM, etc.)		
Computational analysis on		
complex data (EEG/ERP		
analysis, Eye-tracking, etc.)
